ইন্টারনেট, টিভি	ফ্রি			

See above Image. Write a JS code which can output as like the following example

Example:

Current Bill: 1450 /=

Gas Bill: 1800 /=

Water Bill: 700 /=

Telephone Bill: 5000 /=

Internet Bill: 500 /=

Tv Bill: 250 /=

Total Bill: 9765 /=

Question:2

Insert Some students with their Roll Number, Name, and marks of five subject [Bangla, Math, English, Religious Study, Science]. If any student has failed delete the student with showing a message to the console. Grouping the students who have Obtain A+, A & B by calculating their average grade.

Output Format:

Alif is deleted

Saddam is deleted

A+ = Rubayet, Hassan

A = Rahat

B = Liton, Sakib

Others students are = Labib, Rana, Wahid

N.B.: You have to insert students manually by code. Don't initialize them. Each roll number is the key. And, in your code you must have minimum of ten students.

Now, write the code.
